TO WHOM IT MAY CONCERN

Sub: Certification of Design Basis Report and Structural Analysis Model (STAAD Model) of G+4 K.D.B. Public School Building

This is to certify that the Design Basis Report for the proposed school building at Ghaziabad for K.D.B. Public School dated 28-11-2016 and the Structural Analysis Model of same building developed using STAAD-PRO software, both submitted by Ambekar Associates (Baroda), have been vetted by Prof. Arghadeep Laskar at IIT Bombay to meet requirements of appropriate Indian Standards and is therefore recommended for finalization of the structural design (incorporating the points noted by Prof. Laskar) of the above-mentioned building to ensure all structural components meet prescribed strength and serviceability conditions .

Thanking you.

Yours sincerely,

8/12/2016

Dr. Arghadeep Laskar.
