The Principal

Sub: - Participation in "**RAZZLE DAZZLE - 2019**" an interschool competition.

*"All of us do not have equal talent, but all of us have an equal opportunity to develop our talents".*

\_\_\_\_\_ Dr. A. P. J. Abdul Kalam

**RAZZLE DAZZLE 2019** – an inter school competition will be held on 6<sup>th</sup> & 7<sup>th</sup> of September , 2019 as K. D. B. celebrates 69<sup>th</sup> year of its journey in education.

This span is by no means a short period of time. It is both substantial and substantive.

Substantial, because it is no mean feat for an institution to not just exist for so many years but to flourish and grow. Substantive, because this is a testament to the inherent strength, essence & character of the school. K. D. B. has been working with the mission, "To impart education in the real sense i.e. in its multidimensional aspect and at the same time training young minds to develop as assets to the society."

We believe that imagination and knowledge are the two sides of the same coin called learning. So, we want you to come and join us to celebrate this legacy.

Our idea is to follow zero waste and sustainability into actionable piece. We will appreciate if the participating school ensure that while preparing for this programme, they refuse all single use products and use more of recyclable material.

The details and general guidelines of the programme are enclosed herewith. You are requested to register your school online on our website by **28.08.2019**.

We eagerly look forward to your esteemed presence.

With warm regards

Yours sincerely

Nivedita Rana

Principal
